Reference: July Quarterly Report (4/1/00-6/28/00)

Dear Mr. Horton:

We have received your letter raising issues with the subject report. Thank you for bringing these discrepancies to our attention.

We have amended the report commensurate with FEC rules and regulations. The changes made to the July Quarterly Report are as follows:

- |  |   |
|--|---|
| <u><b>Statement of Organization:</b></u> | <i>The depository institutions left off the original report have been added.</i>  |
| <u><b>Schedule A, Line 11(a)(i):</b></u> | <i>The contributions in question were misreported as primary contributions. They have been amended as general election contributions.</i> |
| <u><b>Schedule A, Line 11(b):</b></u>    | <i>This itemization was inadvertently omitted from the original report. It is now included.</i>   |
| <u><b>Schedule A, Line 11(c):</b></u>    | <i>This itemization was inadvertently omitted from the original report. It is now included.</i>   |
| <u><b>Schedule B, Line 17:</b></u>       | <i>The purposes of our disbursements have been clarified per your description of Commission regulations.</i>                              |

According to our records on file, Chambliss for Congress' July Quarterly Report did include all of Schedule A. I am not sure how Line 11(b) and 11(c) were omitted but hope the enclosed copies will fulfill our reporting requirements under Commission regulations. —

Sincerely,

A handwritten signature in cursive script that reads "Paige W. Perdue".
